teaching to improve outcomes for all learners

## Recommended Meraki Settings for ALL profiles (Pupil & Staff)

Although we advise that pupil devices and staff devices should have different profiles, many of the settings contained within these profiles should be the same. Any differences will be highlighted in this document in red.

### Restrictions

Enable device restrictions	<input checked="" type="checkbox"/> Enforce restrictions
<b>Cross-platform restrictions</b>	
Camera	<input checked="" type="checkbox"/> Allow use of camera
Device functionality	<input checked="" type="checkbox"/> Allow installing apps <input checked="" type="checkbox"/> Allow screen capture
<b>iOS specific restrictions</b>	
Device functionality	<input checked="" type="checkbox"/> Allow voice dialing <input checked="" type="checkbox"/> Allow FaceTime <input checked="" type="checkbox"/> Allow automatic sync when roaming <input checked="" type="checkbox"/> Allow Siri <input checked="" type="checkbox"/> Allow Siri while locked <input checked="" type="checkbox"/> Allow Passbook notifications while locked <input type="checkbox"/> Allow in-app purchases <input type="checkbox"/> Force user to enter iTunes Store password for all purchases <input checked="" type="checkbox"/> Allow multiplayer gaming <input type="checkbox"/> Allow adding Game Center friends <input checked="" type="checkbox"/> Show Control Center in lock screen (iOS 7+) <input checked="" type="checkbox"/> Show Notification Center in lock screen (iOS 7+) <input checked="" type="checkbox"/> Show Today view in lock screen (iOS 7+) <input checked="" type="checkbox"/> Allow documents from managed apps in unmanaged apps (iOS 7+) <input checked="" type="checkbox"/> Allow documents from unmanaged apps in managed apps (iOS 7+) <input type="checkbox"/> Allow Handoff (iOS 8) <input checked="" type="checkbox"/> Require passcode on outgoing AirPlay pairing requests <input checked="" type="checkbox"/> Require passcode on incoming AirPlay pairing requests

Applications	<ul style="list-style-type: none"><li><input checked="" type="checkbox"/> Allow use of YouTube (iOS 5 and below)</li><li><input checked="" type="checkbox"/> Allow use of iTunes Store</li><li><input checked="" type="checkbox"/> Allow use of Safari</li><li><input type="checkbox"/> Enable autofill</li><li><input checked="" type="checkbox"/> Force fraud warning</li><li><input checked="" type="checkbox"/> Enable javascript</li><li><input checked="" type="checkbox"/> Block popups</li></ul>
iCloud	<ul style="list-style-type: none"><li><input checked="" type="checkbox"/> Allow backup</li><li><input checked="" type="checkbox"/> Allow backup of enterprise books (iOS 8)</li><li><input checked="" type="checkbox"/> Allow notes and highlights sync for enterprise books (iOS 8)</li><li><input checked="" type="checkbox"/> Allow document sync</li><li><input type="checkbox"/> Allow photo stream</li><li><input type="checkbox"/> Allow cloud Keychain sync (iOS 7+)</li><li><input checked="" type="checkbox"/> Allow managed app to store data in iCloud (iOS 8)</li></ul>
Security and privacy	<ul style="list-style-type: none"><li><input type="checkbox"/> Allow diagnostic data to be sent to Apple</li><li><input checked="" type="checkbox"/> Allow user to accept untrusted TLS certificates</li><li><input checked="" type="checkbox"/> Force encrypted backup</li><li><input checked="" type="checkbox"/> Allow automatic updates to certificate trust settings (iOS 7+)</li><li><input checked="" type="checkbox"/> Force limited ad tracking (iOS 7+)</li><li><input checked="" type="checkbox"/> Allow Touch ID to unlock device</li></ul>
Content ratings	<ul style="list-style-type: none"><li><input type="checkbox"/> Allow explicit music and podcasts</li></ul>
Ratings region	United Kingdom
Allowed content ratings	Movies: <b>This should be set appropriately for the age of the users accessing the device</b> TV Shows: Caution Apps: <b>This should be set appropriately for the age of the users accessing the device</b>
<b>iOS supervised restrictions Please note – none of these settings can be enforced on iPads unless they have been placed in ‘Supervised’ mode at the time of setup. As this is a complex process involving iPads being managed and linked to a Mac computer, we do not recommend it. Therefore all users should disregard the settings in this section as they cannot be enforced.</b>

## Passcode

Enable passcode policy enforcement	<input checked="" type="checkbox"/>	Require passcode
Passcode strength	<input type="checkbox"/>	Allow simple value
	<input checked="" type="checkbox"/>	Require alphanumeric value
Minimum passcode length		8
Minimum number of complex characters		--
Maximum passcode age		Leave blank
Auto-Lock		15
Passcode history		Leave blank
Grace period for device lock		None
Maximum number of failed attempts		--

**We highly recommend using the setting above for staff devices, and any resulting security risk to data that may arise by not following this guidance is the responsibility of the Headteacher of the establishment involved.**

**For pupil devices, schools may decide to alter these settings accordingly, depending on the age and stage of the pupils involved and the deployment method of the devices.**

**If any further advice or guidance is needed, please contact:**
